WORK EXPERIENCE

Full Stack Developer

Fanplay Games And Media Pvt. Ltd. (YC Backed)

08/2022 - Present

Bengaluru

Tasks

- Contributed to enhancing platform functionality by integrating **DYTE** meeting feature, facilitating seamless **Student-Mentor** connections.
- Developed and deployed an interactive **Chatbot** for streamlined **Feedback** collection, **Lead Interaction**, and quick query resolution, enhancing user satisfaction.
- Spearheaded the design of database schemas and implementation of **MongoDB Aggregation** techniques to streamline data management and enhance retrieval efficiency.
- Led development of 4 top-rated web apps, integrating **JWT** token and **Passport** for secure **Authentication**. Also, made significant contributions (70-80%) to other project successes.
- Designed and implemented a **KYC** feature allowing students to initiate call requests, facilitating seamless agent integration for successful **onboarding** via **Video KYC**.
- Enhanced user retention throughout the application by leveraging **click analytics** and **backend events** to elevate user experience and engagement.
